

Beta Alpha Psi

Membership Handbook

Participation Requirements

Beta Alpha Psi members are expected to attend all Beta Alpha Psi events each semester. If you need to miss an event, please contact the Vice President of Records before the event.

Professional Events

- Description – Meetings held during the week that feature company presentations and serve as general meetings to update members on chapter activities.
- Participation Requirement
 - Attend at least 75 percent of meetings held each semester

Volunteer Events

- Description – Community service events which allow members to give back to their community and tutoring in the Norris-Vincent College of Business accounting lab. Only BAP sponsored events and tutoring in the accounting lab will count.
- Participation Requirement
 - 3 hours of participation each semester

Initiation Banquets

- Description – Held to initiate pledges, provide professional networking opportunities and recognize the achievements of the chapter and its members. One banquet will be held each semester.
- Participation Requirement
 - Attend the initiation banquet each semester.

Dress Code

The dress code for all Beta Alpha Psi events, unless otherwise communicated, is business casual. As an alternative, jeans may be worn with your Beta Alpha Psi polo.

FAQs

Q: What can Beta Alpha Psi (BAP) do for me?

A: BAP can provide benefits to members on both a professional and personal level. BAP offers its members excellent opportunities to network with top public firms/industry companies and build relationships with recruiters. Additionally, BAP allows its members to build friendships with each other that are not only beneficial on a personal level, but on a professional level that will benefit them in their immediate and long-range careers. Furthermore, BAP allows members to get involved and give back to their community.

Q: What if I do not meet the requirements during a semester?

A: Members of Beta Alpha Psi are expected to meet the requirements and stay active in the organization; however, it is understood that school and work occupy the time and energy of many Angelo State University students. In this case, it is important to communicate to us if you will not be able to fulfill the requirements of BAP so that we can discuss options for your particular situation. Failure to do so can result in probation and revocation of membership with the honor society.
